Re: Amended notice of Hearing Regarding Ninth Omnibus Objection to Claims

I object to the conversion from secured to general unsecured status of my Proof of Claim.

I do not understand all the legal ramifications. I filed my proof of claim timely and with all the documents and references to the First Trust Deed loans together with my proof of payments.

USA was responsible for their failures in fiduciary responsibility. Apparently there is no telling what the money I turned over to them for the respective notes was used for – secured or unsecured or any part thereof. All I know is that the money was for secured First Trust Deed notes.

Therefore as indicated in denial is received, I hereby use the language as follows:

“Written documentation in support of the proof of claim has already been provided to the objecting party and the any further documentation will be provided at any evidentiary hearing or trial on the matter.”

I will be happy to answer any questions from any of your assistants.
